Chapter 1 by Tia Mullaney

"Y-You are a-aware that Mew Mew Kissy Cutie 2 ru-ruined the character arc, r-right?" The little lizard woman said as she put the disc into the CD player.

"What's a character arc?!" Undyne blurted as she threw her body onto the sofa, landing on Papyrus. It didn't hurt him much, but he just said "Undyne, get off! Nyeh heh heh!" The smaller Skeleton, Sans, just glared at Undyne with the most hallow look. The fish woman shivered and she crawled off of Papyrus. In the back of her head, she could hear a voice. It said: "The bonezone is closed."

"E-Everyone, c-calm down! It's a-about to start!" Alphys squeezed herself inbetween Undyne and Papyrus and she aimed the TV remote at the screen. The lights went dark and then the anime started.
